

IMPACT PRACTICE JOB ACRONYMS

Job acronyms usually reflect the four stages in Inspiring Impact's 'Cycle of Impact Practice'. Too much focus was on monitoring and evaluation (do and assess) at the expense of plan and review. So organisations started adding more letters to ensure they were not missed out!

- M&E** = **Monitoring and Evaluation**
- MEL** = **Monitoring, Evaluation and Learning**
- MER** = **Monitoring, Evaluation and Reporting**
- MER** = **Monitoring, Evaluation and Research**
- PMEL** = **Planning, Monitoring, Evaluation and Learning**
- MEAL** = **Monitoring, Evaluation, Accountability and Learning**
